

LOUIE'S CREW CHALLENGE

THE BRIGHT GREEN ENVELOPE IS BACK!

You will find your Bright Green Louie's Crew Challenge envelope in your skipper's packet.

This envelope represents the entire reason that you sail and play at Louie's - to raise money for Children's Hospital of Wisconsin. We *implore* each crew member to put at least a \$20 bill in your boat's Louie's Challenge envelope - or more!

What is the first and best reason? It's for the kids!

Please pass the green envelope around the cockpit - cash, checks, monthly payment pledge forms, or credit cards accepted. There are two *FULL* ATM machines in the Ale House and monthly payment pledge forms can be found in your skipper's packet or at the merchandise table.

Over the course of the Louie's 10th party, we will update the totals in each boat's Louie's Challenge envelope on the Big Screen. Make us all proud and fill it up!

The pledge forms enable you to divide your pledge into 12 equal monthly payments.

Monthly payment options include:

\$10* x 12 months = \$120/year

\$20 x 12 months = \$240/year

\$30 x 12 months = \$360/year

\$__ x 12 months = \$____/year

* \$10 per month is the minimum required for the monthly payment option. Only signed pledges with complete credit card information will be counted toward your Louie's Challenge total.
